Navigating Estate Planning with Intention

An estate plan is more than just a set of legal documents; it is a blueprint for your family's future harmony. Too often, the technical side of planning overlooks the emotional reality of those left to carry it out.

Join Melissa Miroslavich (Attorney) & Molly Darsow (Still Waters Mediation), and FamilyMeans Caregiving & Aging staff for an insightful conversation on how to bridge the gap between legal strategy and family relationships. We will move beyond the "what" of estate planning to focus on the "how"—specifically, how to communicate your intentions to prevent future discord.
