

Be the reason someone smiles today - Volunteer with FamilyMeans!

At FamilyMeans, volunteers are the heart of our mission. Whether you're providing a break to a caregiver, helping a child succeed, or supporting our events, your time makes a lasting impact.

Caregiving & Aging

Respite volunteers provide breaks for caregivers who are caring for a person with disability, chronic illness or frailty in a non-medical setting. Respite companionship happens in clients' homes or in group settings. Companionship includes activities like:

- Playing board games or puzzles
- Conversing about the past and present
- Supporting a person's group involvement

Youth Development

Our program equips youth ages 5-18 with the skills to learn, thrive, connect, and contribute throughout life in the communities of Landfall and Cimarron (Lake Elmo). Support youth by sharing your interests in:

- Arts & crafts
- Sports & games
- Reading & projects
- Homework help & tutoring

Leadership/Events

Provide leadership to the agency through our Board of Directors or Next Generation Council. Support with fundraising events and campaigns.

Offering volunteer opportunities with flexible schedules, training, and support. Make impactful connections in Washington County!
