CAREGIVING & AGING

Memory Screening Event

Are you having trouble keeping things straight?
Would you like to know if your forgetfulness is something to worry about?
Would it help to have tips to maintain your best memory?

Make an appointment for a FREE memory screening

December 2nd, 2-4 p.m.

During the Scandia Lions Blood Drive
Scandia Community Center
14277 209th St N, Scandia

FamilyMeans staff will administer a confidential screening.
Each memory screening will take about 5 minutes using a brief series of questions.
Please allow an additional 10 minutes to discuss the screening results.
The result is not a diagnosis, but it can suggest a need to speak to a physician.
Participants leave with helpful information and a summary of the results.

Sponsored by FamilyMeans and the Scandia Lions Club
