Communicating Effectively with your Health Care Provider

Ever wonder if there is a way to improve communication with your health care providers? This seminar will help anyone who wants to increase communication, get more out of your office visit and create a team approach towards your health care needs.

May 25, 2022
1pm- 2:30pm

Hardwood Creek Library

19955 Forest Lake Road North
Forest Lake, MN 55025

Take action about your memory...

After the session, join FamilyMeans social workers to take a confidential memory screening. The result is not a diagnosis, but it can suggest a need to speak to a physician. Participants leave with helpful information and a summary of the results within 15 minutes.
