Prepare For Takeoff

Traveling with a diagnosis

Are you taking a trip in the near future?

Do you have concerns about traveling with a chronic disease?

Do you understand resources to make your trip a success?

Join us to hear from our guest speakers from the Minneapolis–St. Paul International Airport & Senior Travel Companion Services will provide information related to travel in 2021-2022. Caregivers who attend this presentation will be provided with information related to the planning needed for traveling with a chronic disease, tips to ease your own stress during travel, and learn how traveling has changed due to COVID.
